Your application form for Studies is now registered online.

I understand that I have to meet at the embassy, consulate or local police station to present my passport and submit additional documentation. The required documents are listed on the Directorate of Immigration's website, www.udi.no/checklists.

I understand that the application will not be processed until I have submitted all additional documents, including this letter, with the necessary signatures, in person. I am aware that the application may be rejected if necessary documentation is lacking or inadequate.

I understand that the Norwegian Immigration Authorities may request relevant information about me or my sponsor from other government agencies, in order to process this and future cases pursuant to the Immigration Act. Such government agencies include the Norwegian Tax Administration, the Norwegian Labour and Welfare Service (NAV) and the Norwegian State Educational Loan Fund.

Processing times for applications processed by the UDI can be found at www.udi.no/caseprocessingtimes. For cases processed by the police, or the Foreign Service Mission, may vary from location to location. I should therefore enquire about the processing time when I submit the application.

If I contact the embassy/consulate/police/Directorate of Immigration (UDI) concerning my application, I have to inform them of my full name, date of birth, nationality and my DUF number (if I have one).

I hereby confirm that the information given in my application is correct and complete. I am aware that it is a punishable offence to give materially incorrect or clearly misleading information, including omission of information of material significance. In addition to criminal charges, breach of the Immigration Act or the Norwegian Penal Code may lead to rejection or expulsion and registration in the Schengen Information System (SIS). Any permit granted based on incorrect or incomplete information may be withdrawn.

Children, who are affected by a decision under the Immigration Act, are entitled to be informed about, and express an opinion, on the case. Children who are capable of doing so must sign the application. Parent/guardian must consent if the applicant is a minor. If parental responsibility is shared, both parents must consent.
